I, _____ (print name)
want to be a camper at Camp Cooinda this summer.

I understand that

- the camp is organised in groups with everyone sharing in activities and the jobs that need to be done,
- the leaders give their time to help campers to enjoy the outdoor activities and they also look forward to enjoying the experiences themselves.

I promise that during camp I will

- respect other campers,
- respect and co-operate with leaders in a friendly way,
- do a fair share of the jobs that keep the camp running smoothly, and
- follow the directions of leaders about safety matters including boating, swimming and fires.

I have talked about this with a parent or guardian and we both agree that if I do not put this Camper's Code into practice, the leader in charge may send me home during the camp, and that a parent will arrange for my return travel from the camp within 24 hours of being notified by the leader in charge.

I agree to advise Camp Cooinda Inc. immediately in the event of my daughter/son contracting any ailment likely to affect participation in the camp program or to be detrimental to the health of other participants.

I give permission for any medical attention considered necessary for my daughter/son by the camp leaders to be obtained and I agree to meet any expense for such medical attention.

I authorise the leaders in charge to arrange car transport for my daughter/son when that is considered to be desirable for the camp program.

I have read the Campers' Code above and agree to arrange for my daughter/son's return travel from the camp within 24 hours of being notified, if it is deemed necessary by the leader in charge.
